January Meeting

It's official - our new meeting location is Erin's Pavilion at Southwind Park. Erin's Pavilion is a little easier to get to and provides some additional space that could be used to entertain the younger ones that come along for the meetings.

The upcoming January meeting will be an

important meeting for all of our members to attend. This is because we will be electing a new Board of Directors and Executive Committee. As I have mentioned in the past, we know for sure that there will be vacancies, so please come out and do your part for the group. Shortly after this meeting, we will be

assigning new Chairs where needed for our upcoming fundraising events.

The January Meeting will be from 6-8 pm on Thursday, January 13th at Erin's Pavilion. Future meetings will be on the second Thursday of most months.

Did You Miss the Christmas Party?

On Saturday, December 4th, LLDSS had their annual Christmas Party. Below are a couple

pictures of the event. More pictures will be available soon on our Facebook site (found

under groups - Lincoln Land Down Syndrome Society).

Spotlight Member - Rileigh Schnepf

In October of 2010, representatives of LLDSS participated in ABC/UCP's annual golf outing. The money raised at this golf outing is used to purchase Amtrykes for children in the Springfield area (for more information about Amtrykes, go to <http://www.ambucs.com/amtryke/>). Rileigh was

one of six recipients this year. These are very nice, specialized bikes.

Rileigh loves this bike. We are looking forward to family bike rides in the future. This winter we are taking the bike to her school so that she can work on bike skills during PE this winter.

To apply, we had a physical therapist perform the necessary measurements and recommendations. If you are interested in getting a bike, let me know and I will put you in touch with a contact.
